Elisabeth Niles Joins The Richland Companies' San Antonio Office

The Richland Companies Continues to Expand San Antonio Office

HOUSTON, TX, December 13, 2010 /-- The Richland Companies announced today Elisabeth Niles has joined their San Antonio office. "San Antonio has always been an important market for Richland and we will continue to build our office there to meet our client's needs." says Mickey Meyer-Sturgis, Vice President of Leasing and Redevelopment. She adds, "Elisabeth's talent and experience will be a huge asset for Richland and our clients."

Niles joins The Richland Companies' San Antonio office from Emerald Realty, LC, where she worked in Tenant Relations as a Senior Leasing Associate and Property Manager as well as Director of Marketing. As Senior Leasing Associate and Property Manager, she was responsible for overseeing the commercial leasing department, 17 properties and all tenant relations including new leases, lease renewals, tenant relocations as well as tenant improvements and property enhancement. In her role as Director of Marketing, she oversaw property marketing and advertising campaigns and promotions for 22 properties. She is a licensed real estate broker and holds a BS degree from the University of North Texas.

Niles brings years of experience to Richland's tenant representation, property management and leasing teams. She is responsible for marketing, leasing and managing Richland's 10-property San Antonio portfolio representing over 820,000 sq ft including West Loop II, West Tech One Business Park, Northwest Business Park, East Ramsey, Potranco Plaza, Rector Plaza and The Tower at Boerne. Additionally, she will manage synergistically-located third-party properties as well as represent clients locally, regionally, nationally and internationally in identifying locations and negotiating commercial leases in multiple markets across the United States.
