The *San Antonio Business Journal* hosted its Best in Commercial Real Estate Awards Luncheon on Wednesday at the Pearl Stable, where it handed out awards to 11 development projects and transactions in 12 categories.

The winners will be profiled in a special section in our May 1 issue, in which we also list the top brokers, or Heavy Hitters, in the local commercial real estate market as determined by individual surveys.

In the meantime, Business Journal visual journalist Carlos Javier Sanchez chronicled the event in pictures. Click on the slideshow above to see a photo gallery of the event.
