There are nearly [1 million women-owned businesses in Texas](#), and it comes as no surprise that a good chunk of those businesses are right here in Houston.

Keenly aware of the growing presence of female business owners in Houston, the Houston Business Journal introduced the top 25 Women-Owned Business List several years back. This year, [HBJ](#) is combining this list with our second-annual Women Who Mean Business awards event and special publication. [Click here to see this year's WWMB honorees.](#)

The top 25 list, which is ranked by 2016 revenue, will run in the Oct. 27 issue, and each of the top 25 businesses will be recognized with an award on stage at the Oct. 26 event. [Click here to learn more about the event.](#)

The rankings will be released for the first time at our event. The companies on that list are below, in alphabetical order.
